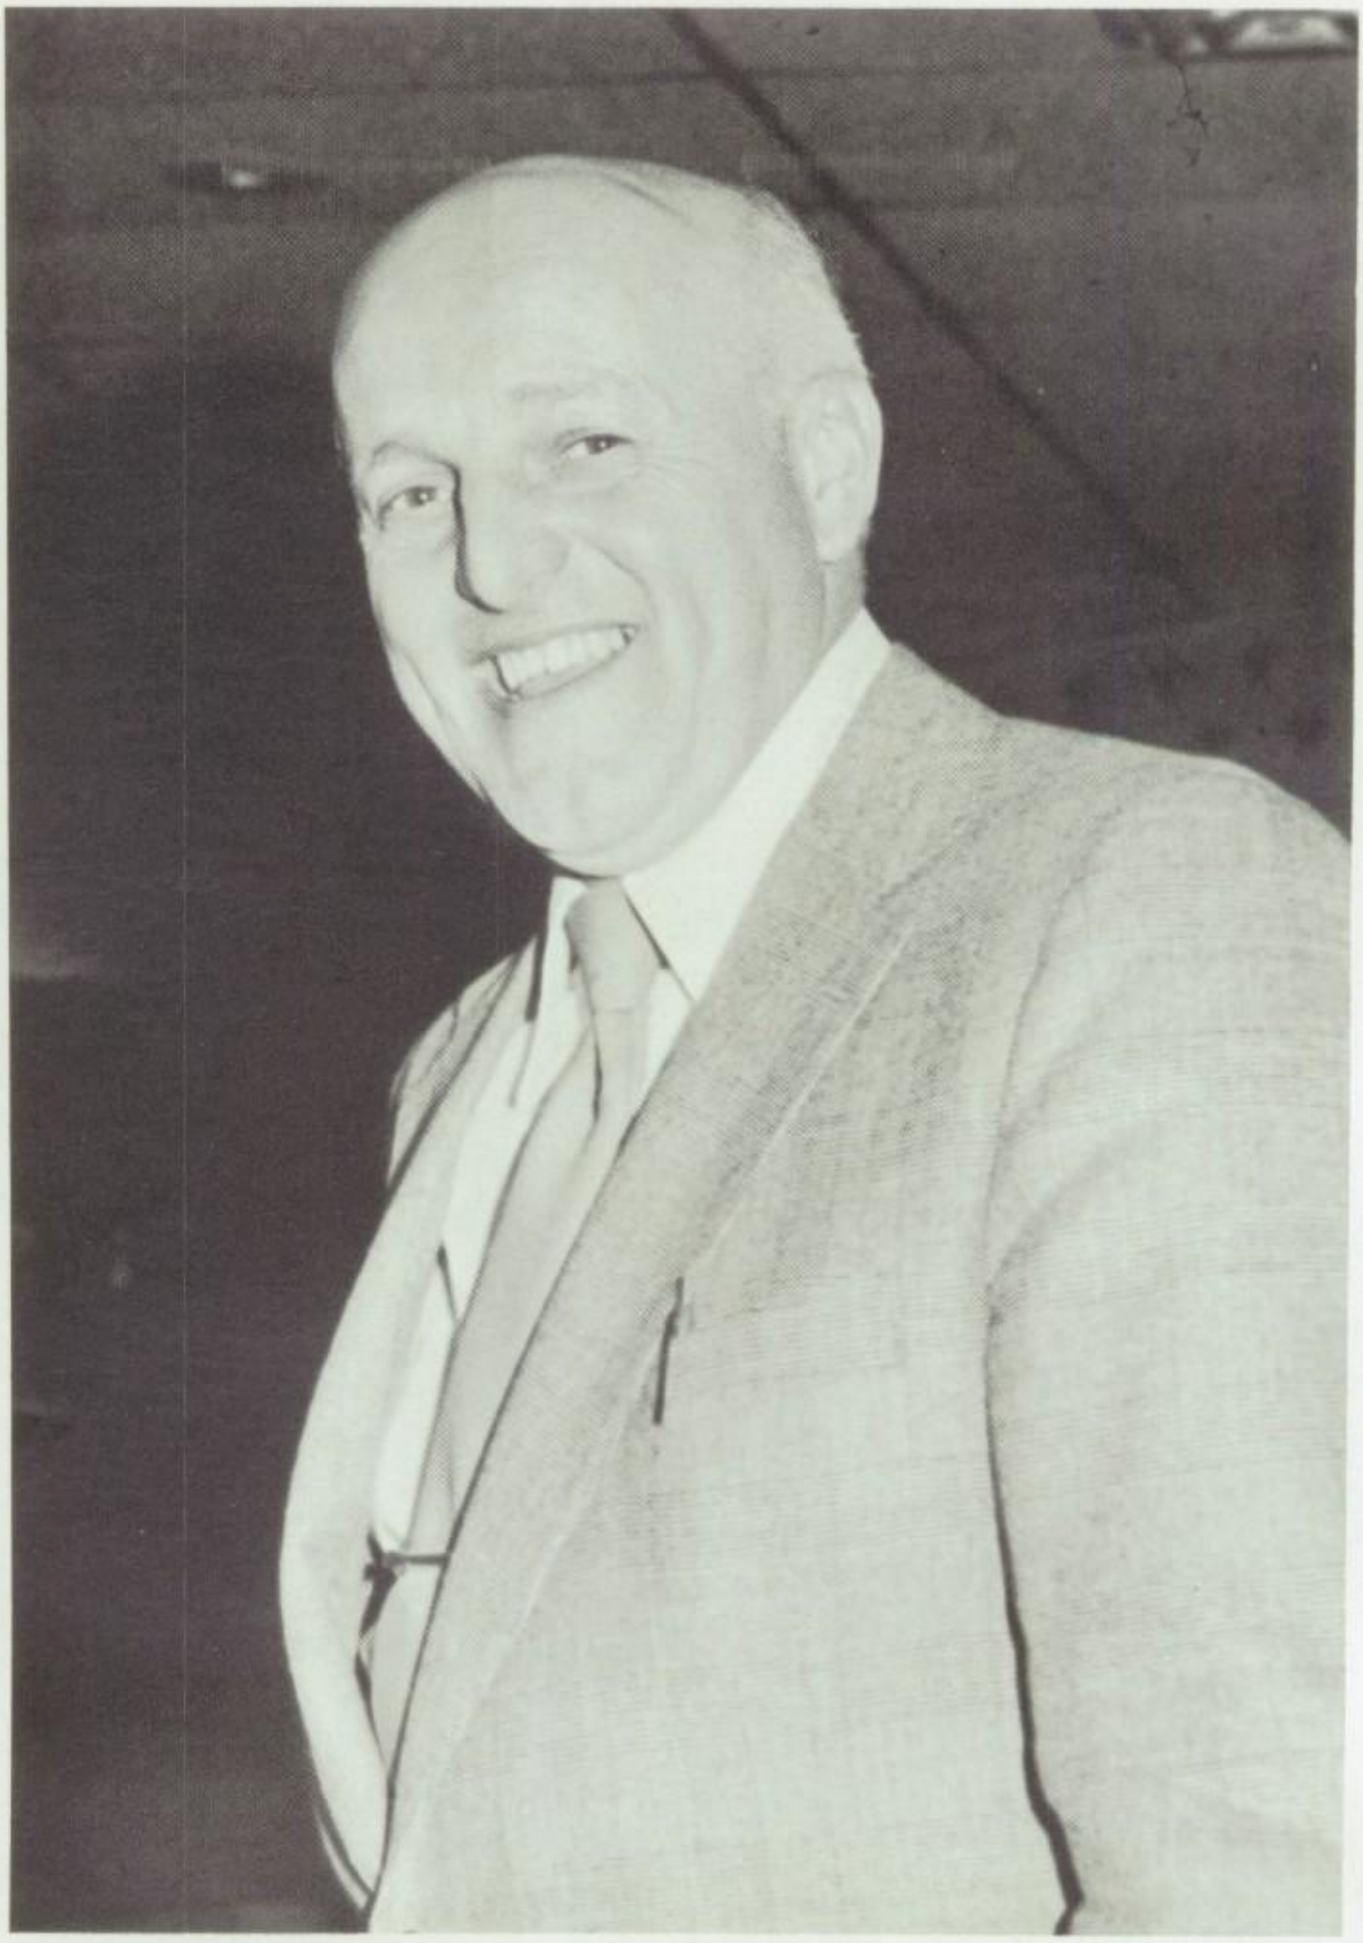
Preface

The 1978 Indian Staff takes this opportunity to invite each one who opens this chronicle of the 1977-78 school year to share with us our pride in the accumulated accomplishments of the C.C.S. student body, administration and staff. We have attempted to capture in word and picture the most important elements of this school year -- YOU.



Dedication

The 1978 Indian staff takes this opportunity to dedicate the 1978 Indian to one who has devoted many years of service at Chautauqua Central School. When the electricity goes off at 2:00 a.m. Sunday, who gets up and goes to school? When the thermometer plummets to 10 below, who goes out in the cold and plows? When little Johnny runs too much after lunch, who cleans the floor? By now, of course, you've guessed our book is being dedicated to Al Jones.

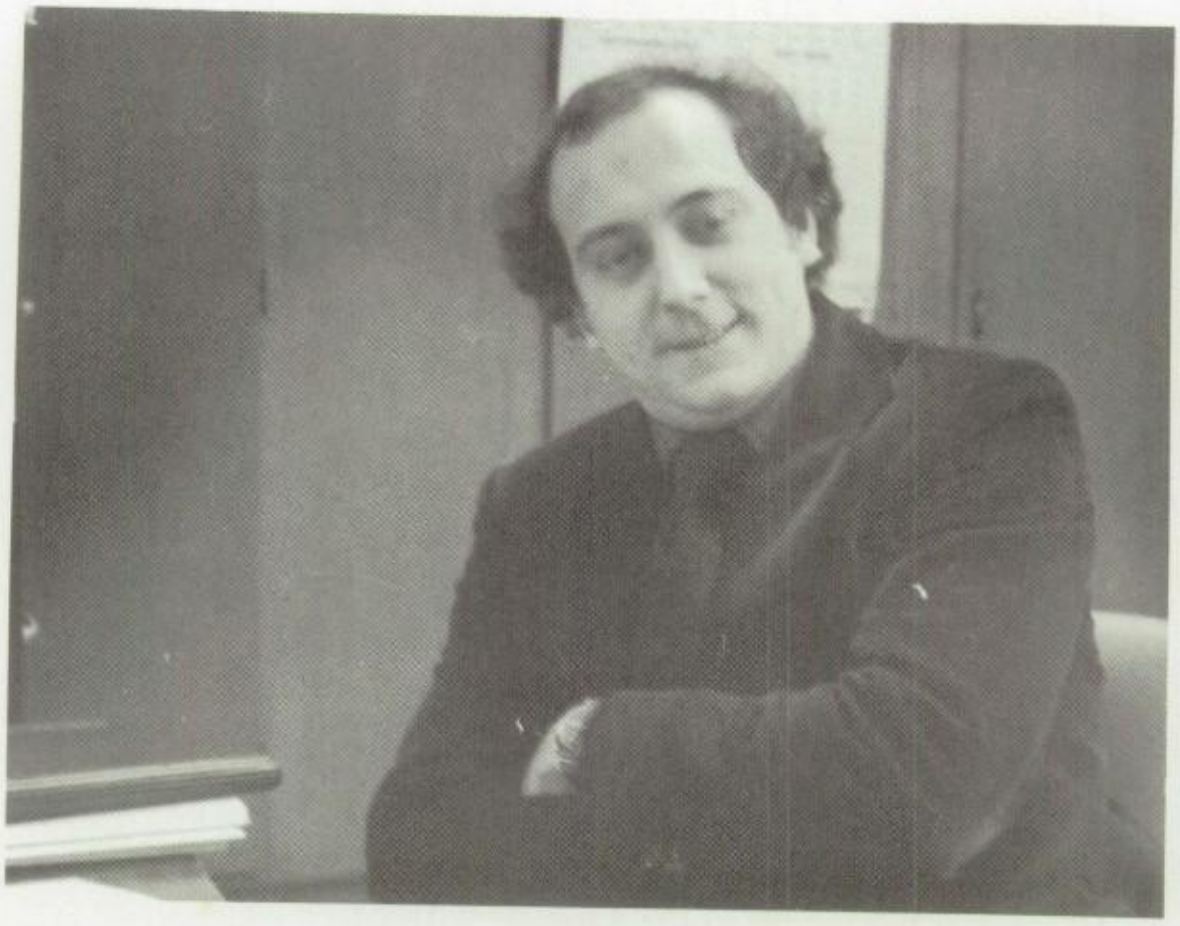
Principal

To The Class of 1978

Sincere congratulations are extended to each member of the senior class for their various accomplishments during the past several years. Our faculty and community extend their best wishes to you.

The future presents many problems for you. However, your generation offers the solutions to these problems. We know that you will provide responsible leadership in future years. The responsibility you have exhibited during your school years, convinces those of us who have followed your growth, that you will be successful in your endeavors. Our best regards go with you.

Robert F. Dimicco



WELCOME

Last year we said "so-long" to our guidance counselor. We all admired Mr. Burlingame for his excellent humor and his dedication to the students at C.C.S.

This year we say "welcome" to Mr. Strum. Mr. Strum comes to us with many new ideas. We hope he has many excellent years.

National Honor Society

Our local chapter of the National Honor Society took steps this year towards making the society more beneficial to the rest of the student body and to the members themselves. The honor society members volunteered to tutor students whose study halls coincided with their own. Hopefully this is only a first step in utilizing the potential of this society.

Martina Eberl

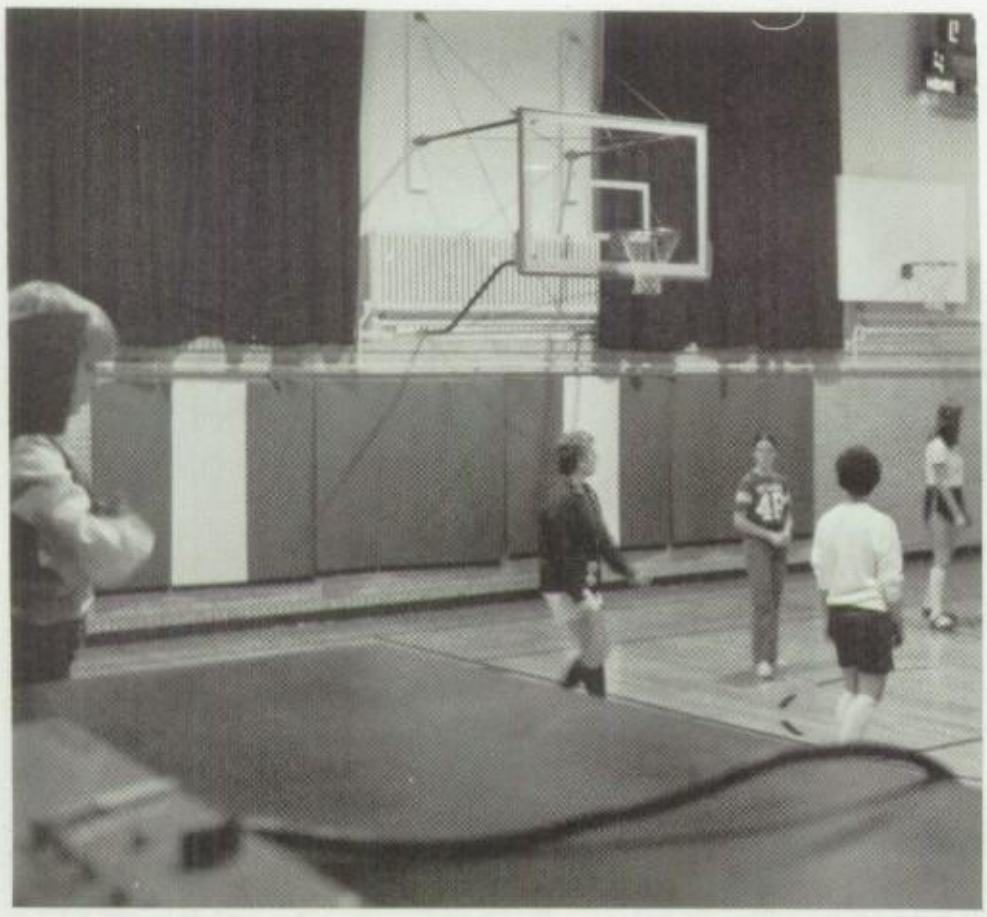
Martina lives with her parents and her 15 year old sister in a house with a garden at the outskirts of Kanfenberg, an industrial town of 30,000 residents about 100 miles southwest of Vienna, the capital of Austria. Her father works in the city administration and her mother is a half-day bookkeeper. Martinas American family is the Pembridge family of Chautauqua.

Patricia Matson

Patty was our Foreign Exchange Student last year. She lived with the Arenas family of Chiclayo, Peru. She lived in the northeastern part of Peru sandwiched between the mountains and the Pacific Ocean. The Arenas' had four children, but only two at home. Mr. Arenas was a semi-retired businessman operating out of his house.

Boy, these Juniors make great food !

What's my line?



Now What?

Thinking of a naval career?

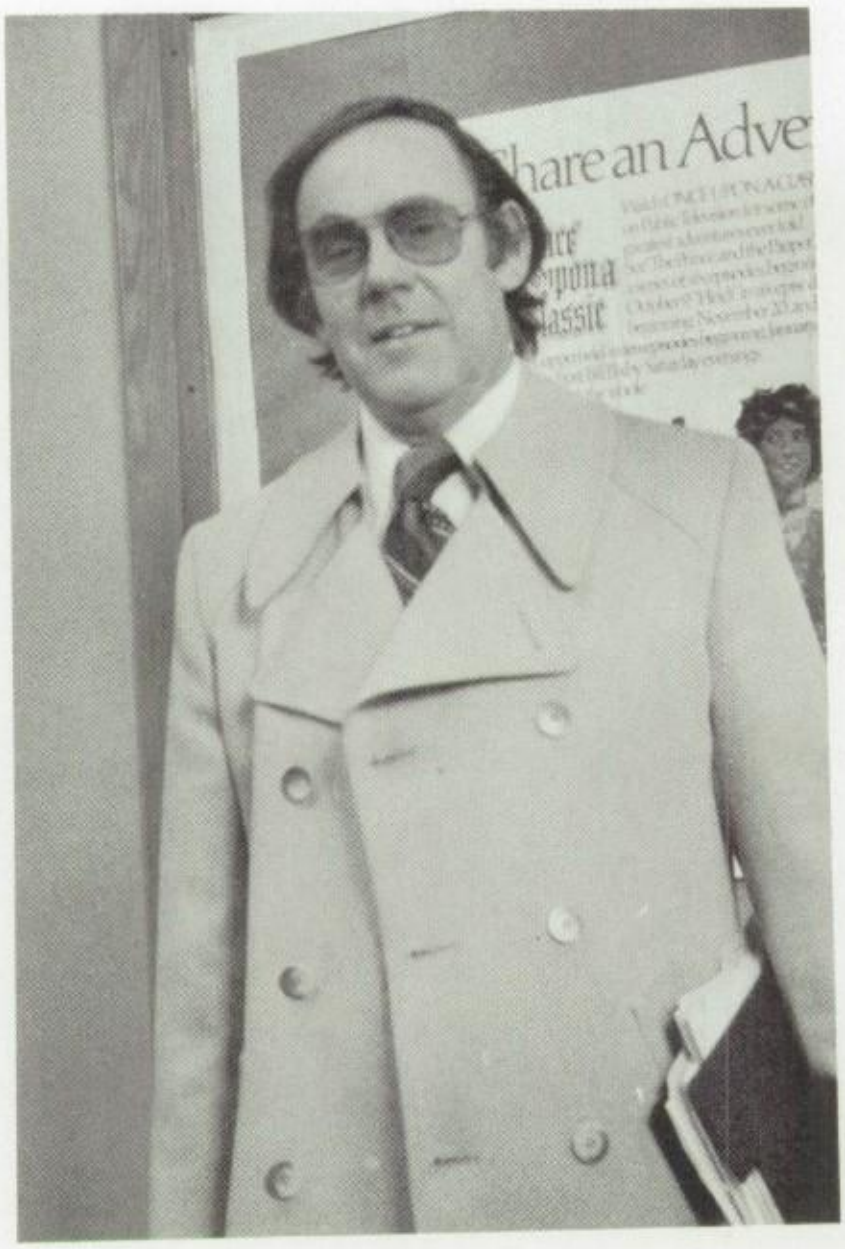
GRADE SCHOOL



Mr. Jonus, Elementary Principal

The 1977-78 school year has been a memorable year for Mr. Jonus. This is the year during which he became Acting Chief School Officer in addition to his regular duties.. It is little wonder that we had to take his picture with his coat on. We are truly appreciative of the excellent job Mr. Jonus did during that period of time.

1978 FESTIVAL AND SUMMER SCHOOL

June 24 - August 27

You've heard about it. Now, make this the year for a visit. Founded in 1874, Chautauqua is internationally known for its depth and quality in education, cultural, religious and recreational programs.

CHAUTAUQUA SYMPHONY ORCHESTRA

Professional musicians come from across the nation to play in the Chautauqua Symphony under distinguished guest conductors. The Symphony, formed in 1929, performs twenty-four concerts in the 6,000 seat Amphitheater.

CHAUTAUQUA OPERA ASSOCIATION

Under general director Leonard Treash, the resident opera company offers seven operas in English each season in 1,400-seat Norton Hall. Established stars are heard in leading roles and an apprentice program for young professionals assures an unusually high quality of performance in chorus and minor roles.

CHAUTAUQUA SCHOOL OF MUSIC

The Chautauqua Summer School, founded in 1874, includes the School of Music, the Art Center, Dance Department, and Special Interest courses. The Music School offers intensive study in all areas including instrumental, voice, composition, conducting and piano tuning. The 1978 season will also include many special workshops such as Choral, Piano Chamber Music, Opera and others. More than $40,000 in scholarships is available.

Plenty of sports, too — golf, tennis, fishing, sailing and swimming. All this, and more, in a picturesque 19th century, shore-line colony. Come for a weekend, a week or more, for a summertime experience you'll never forget.

In 1869 Charles Welch helped his father pioneer a major American industry—the fruit juice industry—by pressing and, for the first time, pasteurizing the juice from 40 pounds of Concord grapes. Charles was 17 years old.

During his lifetime, Charles became a dentist, a business man, an editor, a religious leader and a patron of the arts. He even owned one of Western New York's first automobiles.

"Don't follow the crowd," C.E. once wrote one of his sons, "unless the crowd is right."

That's still pretty good counsel.

MEN—WOMEN

Let the Army help you with college.

Thousands of young people did.

In fact, last year there were over 200,000 enrollments in college courses by people in the Army. They attended classes on post. They studied at nearby colleges and universities. And the Army paid for up to 75% of their tuition and fees.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.

. . . And so the days of classes, minutes of the weekends, and the fleeting moments of vacations of another year have suddenly slipped through our fingers like a basketball through the hoop or the sunlight through the window pane.
